EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Kurt L. VanVoorhiers #38,643 on 9/04/07.

The application has been amended as follows:

1. A method of providing for a server on a computer, comprising :
 - a. providing for communicating with a first client, wherein said first client performs a method comprising:
 - i. providing for reading a portable memory element;
 - ii. providing for obtaining passcode information necessary to access data from said portable memory element; and
 - iii. providing for authenticating said passcode information;
 - b. providing for providing a passkey to said first client if said passcode information is authentic for said portable memory element;
- c. providing for communicating with at least one second client;
- d. providing for receiving a passkey from said at least one second client; and
- e. providing for enabling said at least one second client to communicate with said first client if a value of said passkey received from said at least one second client corresponds to a value of said passkey provided to said first client.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Thong H. Vu whose telephone number is 571-272-3904. The examiner can normally be reached on 6:00-3:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, *Lynn Feild* can be reached on 571-272-2092. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
